Citizen Designer

AMERICORPS VISTA • AUGUST 2016 – AUGUST 2018

As a part of the national service program AmeriCorps VISTA, I built capacity, designed print and web materials, managed fundraising, wrote grants, and facilitated strategic planning and program management for Epicenter, a non-profit that works to create affordable housing, economic opportunity, and arts programming in Green River, UT.

Graphic Designer

ELIBERARE DESIGN • OCTOBER 2015 – JUNE 2016

I was one of a team of designers and illustrators working for a wide variety of clients on websites, landing pages, magazines, branding, and social media advertising. I also helped other Romanian NGO's with their branding and design needs.

Design Volunteer

HOPE DIES LAST • JUNE 2015 – JULY 2015

I worked with a team of photographers, writers, and illustrators to create a book for victims of human trafficking. I created theme illustrations in several languages, assisted with layout, developed the visual themes, and created feature illustrations.

Specialty Designer

DAYSRING CARDS • MAY 2012 – AUGUST 2014

I worked closely with art directors, marketers, and licensors to create several lines of stationery, calendars, and journals for retail. I started as an intern, and was later hired as a full-time temporary employee.

Communications Intern

JOHN BROWN UNIVERSITY • MAY 2012 – AUGUST 2012

I designed postcards, brochures, and booklets for university events. I also prepared files for digital and offset printing, and worked with cutting and folding machinery.
